

THE AMERICAN INSTITUTE OF  
AERONAUTICS AND ASTRONAUTICS

The San Diego Section Presents:

## Engineers Week Awards Banquet 2018

**“Back to the Future: The Wonder of Engineering”**

**Keynote Address by:**

**Timothy G. Wentz, P.E.,**

ASHRAE Fellow, Professor in the  
Construction Management  
Department at the University of  
Nebraska.

**Technology is evolving at a breakneck pace. Focusing on the opportunities inherent in new technology will allow engineers to harness and adapt to the changes, and thus transform the planet. Inspiring and motivating engineers worldwide, as well as future engineers, to seize these opportunities is our first priority. We are on the cusp of an Engineering renaissance of unprecedented scale that will require innovation and creativity if we are to shape our future and create a legacy for generations to come.**

**The evening will also include presentations for: Outstanding Engineer, Educator, Project & Service Awards**

**When: Friday, February 23, 2018, 6:00 pm – 9:00 pm**

**Where: Crowne Plaza Hotel, Mission Valley 2270 Hotel Circle North, San Diego, CA 92108**

**Meal Options: Chicken, Fish, or Vegetarian**

**Cost: AIAA San Diego Section Members: \$40; Non-Members: \$57**

*Make reservation using **Square** no later than 8 February with meal option*

*For questions: Chris Root, AIAA Society Liaison, (619) 750-2390*
