

AIAA San Diego Council Minutes

Wednesday August 13th, 2014

Start: 6:00 PM End: 8:00 PM

Members Present: Cesar Martin, Jay Woodard, Chris McEachin, Martin Miller, Joel Perez, Stevie Jacobson, Brianna MacNider, Kevin Burns, Keith Glassman, Jon Blackler, Kathy Wagschal

Young Professionals:

- Location is at Aeroclub by the 5 freeway.
- There will be parking available in the street.
- It is planned that guests RSVP by Sept 1st, 2014.
- Prizes will be given out that leftover from the space conference.
- A flyer will be mailed out beforehand (Ioana).
- The planned budget is limited to roughly \$70.
- Non-AIAA members are welcome and encourage to join.
- No age limit (young or old) to YP event.

STEM event:

- There was \$300 awarded for equipment.
- A motion was passed to purchase a Pitsco straw rocket launcher estimated at \$200.
- The San Diego library discussed as a possible location.

Logo Proposals:

- Make a logo for the San Diego section.
- T-shirts or polos with logo to be sold through online orders.
- The proposed logos were passed around and reviewed.
- It was decided that the council will vote on a logo through email.
- Once chosen, the logo will be further refined.

Kathy – Two Events:

- September 18 for first event
 - CAF hanger as a possible location
 - Panel Speakers 20 mins/person + 30 mins Q&A after.
 - Typical 5:30-8:00 PM with estimated 30-40 people
- Next Event Thursday 10/23
 - Nasa Chief Engineer speaker
 - Possible joint AIAA/CAF meeting
 - Location may be UCSD

Field Trips and other events

- John - Nano composites and Armor
- Possible Palomar Observatory field trip
- Miramar Air show (October 3rd-5th)

Stevie: Webmaster

- Update website for SpaceX conference and RLC.

Briana: UCSD/Editor

- Plans to work on Quarterly Newsletter
- \$200 budget for UCSD

Kevin Burns:

- Planning for AIAA SciTech in January 2016
- Same Location in San Diego
- Concerned over National AIAA budget for SciTech
- San Diego is an excellent location and local companies should be encouraged.
- Proposed list of aerospace companies that will be signed by chair.
- National AIAA website needs to be updated for SciTech.
- Publicity is important, San Diego should be promoted with other things to do in the area.

Awards banquet:

- Locations
 - Swiss club at \$35/person
 - SDSU Alumni Center \$1000 + food
 - Dinner plate at \$19/person
 - Discounted rates for parking

Total Attendance

- 11
