Meeting Topics:

Recap of YP Trivia Night Event:

- 15 people attended
- Many new people showed up and it was a cool event
- Will plan another Trivia Night closer to North County in the February timeframe

Looking for Speakers:

- We need to find speakers for events in the coming months
- Admiral Wertheim possibly?
 - ✚ Iona will follow up and give Robin details
- A speaker from NavAir (Topic: Flight Testing of Super Hornets)
 - Possibly at Solar Turbines or Miramar

Around the Room:

- Lauren Wilhelm: Needs Stevie's input on newsletter, then will send it out
- Brian Quan: Membership is at a low point, only 300 Professional Members.
- Martin Miller: No response from PhD candidates after reaching out, but will continue to try, hopefully for the January timeframe. Possible Technical Lecture from Dr. Kim from UCSD on Composite Repair. Will also check SDSU

- Shraddha Gharmalkar (UCSD Chair): Chris Root spoke to students. Bonfire scheduled for next week at La Jolla Shores
- Keith Glassman: Has appointment with Miramar O Club for possible Banquet location. Heritage Night: there are only two long time awardees this year. We may go back to get standby presenters to fill the panel. Date set for April 6th at either NG Spectrum, Giovanni's, or Solar Turbines. Banquet date possibly the first week of May
- Robin Felver: waiting for approval from national for distinguished lecturer
