

# AIAA-SD Council Meeting

---

Monday, February 13<sup>th</sup>, 2017

## Meeting Time:

Meeting Start: 18:20

Meeting End: 19:17

## Meeting Attendees:

Steven Jacobson

Martin Miller

Chris McEachin

Kevin Burns

Jin Oh

Dr. Mark Anderson

Ioana Broome

Keith Glassman

## Meeting Topics:

*January Recap:*

- High Tech Fair: Many students visited the booth and it went well
- F-18 Dinner Event: 50 people in attendance and went very well.

*E-Week Banquet:*

- All seats filled (2 tables)
- No students bought tickets through us, so they can buy through the SDEC if they want to attend

*Upcoming Events:*

- Trivia Night at Intergalactic Brewing
  - Looking at either 2/23 or 3/2 for the event
  - Lindsey will send out emails for questions
  - No food at the venue, so bringing pizza
- Distinguished Lecturer Alice Bowman on 3/9
  - Need to send out flyer
  - Need to determine food and cost, but cost should be closer to our cost
- Aerospace Heritage Night 4/13 at Spectrum Center
  - Chinese food will be picked up
  - Stevie has an action to setup the Square page for the event and the Awards Banquet
- Awards Banquet 5/4 at Miramar O Club

- Keith reserved ballroom, and we need a list of attendees 1 week prior to the vent
- Need to calculate total cost to make sure the loss is within budget
- Iona has an action to look at the budget to determine an acceptable cost
- Motion for Stevie, Iona, and Keith to decide pricing made by Kevin approved
- Greater San Diego Science and Engineering Fair 3/15 at Balboa Park 12-2-30
  - Need volunteers for this to choose winners
  - Joel will send an email on the details

*Around the Room:*

- Dr. Anderson: Mentor Night at UCSD was inquired about. UCSD to pick a date for a Networking event for RH Fleet scholarship. Dr. Anderson will check with students on a date
- Stevie Jacobson: Newsletter will be sent out soon
- Martin Miller: Will put together a list of possible PhD speakers
- Kevin Burns: Papers are due soon for Space Conference in Orlando
  - Midway Post Office has been sold and may be torn down. There is an AIAA Plaque at the building, so Kevin is on a council to decide what to do with the plaque
